

**MIDAS**, an acronym for Maklumat Industri dan Sains, is a Commercial and Technical Information Service of the Universiti Sains Malaysia Library. This service which was set up in 1974, is geared to assist regional industry and commerce in their research and development activities.

## MEMBERSHIP

Employees of companies in the commercial and industrial sectors who are involved in research and development activities are eligible for membership. Members are nominated by their respective companies.

## FEES

The fees include:

- RM1,500.00 as company surety for every three members or less and refundable upon termination of membership.
- RM50.00 registration fee per member.
- RM300.00 annual fee per member.

## RENEWAL

A reminder for membership renewal will be sent each year. Any renewal after a lapse of one month must include the registration fee.

## SERVICES

- **Loan:** Members are entitled to borrow 4 titles of books, technical or government reports for 2 weeks. Renewal is possible by phone (04-6533720) or through eQuip in the library's website (after login the patron ID and password)

- **Reference enquires:** will be entertained in person, via e-mail, phone, letter or fax.
- **Photocopying:** will be provided on request at a fee for articles or other materials.
- **Literature Searches:** will be undertaken on request at a fee. We have the advantage of providing specific information through the use of databases in the various subjects/fields. Please write in or e-mail requests to [midas@notes.usm.my](mailto:midas@notes.usm.my).
- **Electronic Databases:** Members are entitled to access all databases subscribed using the internet terminals in the Library provided for members' use.
- **Consultancy:** Universiti Sains Malaysia has set up its own private limited company, USAINS Group of Companies, to channel all commercialization activities of the University. USAINS helps companies undertake contract R&D, product development and process improvements and also technology licensing. Please contact Tel: 04-6583655 for further information on these services.
